**You have all the fun!**

Respected artists and instructors share their knowledge and passion for glass at our facility, tailoring their approaches to individual learning styles and creativity.

Small class sizes allow for maximum interaction between the instructor and each student. A flexible and friendly atmosphere allows students to relax and

thrive.

Our *Fun with Glass* program offers groups of adults and children an opportunity to learn stained glass, fusing, wire wrapping and glass

jewelry in a party-like setting for birthday, holiday and special event celebrations.

Call or stop in to reserve your event at GlassLink today. Minimum reservation requirements:

- 4 or more students per class minimum, maximum of 8
- 50% non refundable deposit required at time of reservation.
- No open-toed shoes allowed during class
